GAME FEATURES

- By using the 2 hand levers, you can experience the thrill of throwing "real" punches and "guarding" your body.
- The monitor can be moved to the right/left to simulate on-screen body movements when on both the offense and defense, a feature which adds a further touch of authenticity to the action going on in the ring.
- Winning by a KO will allow the player to challenge the next higher rank.
- The 4th fight is the title match. The 5th fight and onward are title defense matches.
- Failing to defeat the opponent within the time limit will result in GAME OVER.

HOW-TO-PLAY

Use the 2 hand levers.

- **STRAIGHT JAB:** Push the lever directly forward.
- **HOOK:** While punching with the right/left hand, move the monitor to the left/right.
